**COMPANY NAME** Adams Construction Ltd.  
Kevin Adams (Owner)

## INTRODUCTION

Adams Construction Ltd. is a construction company specializing in welding, concrete, and excavation services. We are committed to providing high-quality, reliable, and cost-effective services to our clients. Our team consists of experienced professionals who are dedicated to delivering exceptional workmanship.

## SERVICES

Our company provides a range of services including but not limited to:

- **Welding:** We specialize in welding services for a variety of applications, including structural steel, piping, and fabrication.
- **Concrete:** Our team of experts can handle all aspects of concrete work, including foundations, slabs, walls, and decorative concrete.
- **Excavation:** We provide excavation services for projects of all sizes, including grading, digging, and site preparation.

## EXPERIENCE

Our company has been in the construction industry for over 20 years. During this time, we have completed a wide range of projects for various clients, including:

- **Industrial Construction**
- **Commercial Construction**
- **Residential Construction**
- **Municipal Infrastructure**

We have worked with a range of materials and equipment, and we pride ourselves on staying up-to-date with the latest industry standards and technology.

The following page includes a selected list of properties we have developed as head contractor for Hume Investments Ltd. since 1998 onward.

## **SAFETY + QUALITY**

At Adams Construction Ltd., safety and quality are our top priorities. We have a comprehensive safety program in place that meets all industry standards, and our team members undergo regular safety training.

We also have a rigorous quality control process to ensure that every project we undertake meets our high standards for workmanship and durability. We use only the highest quality materials and equipment, and we maintain a clean and organized work site at all times.

## **CUSTOMER SATISFACTION**

We understand that our success depends on our clients' satisfaction, and we are committed to providing the best possible customer service. We work closely with our clients to understand their needs and goals, and we keep them informed throughout the entire project.

Our team members are professional, courteous, and respectful, and we always strive to exceed our clients' expectations. We are proud to have many repeat clients and to receive referrals from satisfied customers.

## **CONCLUSION**

Adams Construction Ltd. is a trusted and reliable partner for all your construction needs. Contact us today to discuss your project and to learn more about our services.

(WPQR) BOOK**

TECHNICAL SAFETY BC  
PRESSURE WELDER CERTIFICATE OF QUALIFICATION (PW C of Q)

CLASS IT: \_\_\_\_\_

DATE ISSUED: \_\_\_\_\_

CLASS A: CBP 000 25/149

DATED ISSUED: 2021/07/15

YYYY/MM/DD

NOTES:

1. The latest edition of Section IX ASME Code shall govern.
2. The Welder's Performance Qualification Record shall be at the welding site.
3. The Qualified Welding Procedure shall be at the welding site
4. Welding entries shall only be made pursuant to the Safety Standards Act.
5. All welding within the scope of the Safety Standards Act shall be in accordance with a registered procedure.
6. Welder — One who performs a manual or semi-automatic welding operation.
7. Welder Operator — One who operates machines or automatic welding equipment.
8. It is the Pressure Welder's responsibility to keep his/her "WPQR" book valid and up-to-date.
9. All Performance Qualifications must be in accordance with the Safety Standards Act and the latest edition of the applicable ASME Boiler and Pressure Vessel codes.
